Subject: Proposed Grant Regulations Changes #2

Please consider the following changes to the Proposed Grant Regulations:

Evaluation Criteria General Criteria

GENERAL CRITERIA

It is unclear as to how an Applicant and/or Land Manager that does not currently have legal riding opportunities can respond to the items:

“The Applicant and/or Land Manager currently have legal riding opportunities: (Check the one most appropriate.)

Yes – Applicants shall respond to all items except for 14

No – Applicants shall only respond to items 1, 11, 12, 13 and 14”

.....

GENERAL CRITERIA

4. Agency contribution

Why has “If response is \$0, then no points” been lined out? If a Land Manager did not have an OHV Program in their most recent fiscal year, why should they qualify for 6 points? The Hollister office of the BLM would be an example.

Cost of OHV Program for Land Manager’s most recent complete fiscal year (not to include Indirect Costs). If response is \$0, then no points. Go to item #5:

Thank you
